MEMORANDUM FOR: Deputy Director for National Foreign  
Assessment

FROM : Deputy Director of Central Intelligence

SUBJECT : Federal Women's Program Board

1. I recently met with the CIA Federal Women's Program Board and wish to express my support for their efforts. I have asked the Board to continue to advise the Director and me on issues concerning women. Women comprise one-third of the Agency and it is important that we are informed on policies which impact on them.

2. I appreciate your support in allowing your representatives the time necessary to perform their Board duties effectively. I believe this is time well spent and is justifiable in working towards our common Agency goals. May I suggest that you make my feelings known to
